The Fairies' Lullaby.

Adela Allen. Mildred J. Hill.

Rock-ing in the tree tops high, Gent-ly to and fro,
Sleep-ing 'neath the star-ry sky Fanned by ev-ry breeze;
Fair-y folk se-cure-ly lie,
List-en to their lul-la-by,

Where cool bree-zes blow; While the wind ca-ress-ing them,
Rust-ling in the trees. Each leaf, on ev-'ry wa-ving bough,
Soft-ly mur-murs, "Hush---sh---
Faintly whis-pers "Hush---sh-----

softly and gently.
