ILLVSTRISSIMO

Signore mio Signore Patron Collendissimo

Auendo io procurato di concordare queste
musiche noti alle leggi piu proprie dell'
Armonia io deuo anche concordare la de-
dicatione dell'Opra alla propria diuoti-
one del mio animo hauendo per tanto que-
sta già consacrato al merito di V. S. Illus-
trissima il riuerente tributo della mia os-
seruanza, è mio debito ancora l'offerire à
V. S. Illustrissima ogni tal quale parto de'
miei talenti; che cosi io concorderò insieme vna difettosa dimos-
tratione della diuota mia gratitudine con gli eccessi infiniti de' su-
oi fauori. V. S. Illustrissima si compiaccia anch'essa di formare vn
altra armonia nel concordare l'Eminenza della sua benignità col
basso del mio merito, còl gradire l'Opra, che le dedico, & aggrā-
dire l'Autore con le sue gratie. & à V. S. Illustrissima riuerente m'
inchino Bergamo li 9. Genaro 1555.
