THE TIMES.

If "The Revenge" does not become widely popular among choral societies it will be to the loss of those societies.

DAILY CHRONICLE.

A work for which there is a widespread popularity in store.

DAILY NEWS.

In a word, Mr. Stanford has written a vivid, powerful, patriotic, and masterly work of its class, which has commenced what must prove a long career of popularity.

THE GLOBE.

The work is full of beauties from beginning to end, and will greatly enhance the reputation of the composer, who directed this performance, and at its conclusion was twice called for, and greeted with enthusiastic and fully merited cheers.

ATHENÆUM.

That the work will be immensely popular with choral societies and the public there cannot be a shadow of a doubt.

YORKSHIRE POST.

We think it may safely be predicted that this choral ballad will become a favourite study with provincial musical societies.
