When I saw you it was ob- vi- ous that you have to be some- thing ve- ry

spe- cial. Just as your eyes light up when you talk a- bout things that you miss

in this world. When I saw you it was ob- vi- ous that

21

you have to be some- thing ve- ry spe- cial. When our fin- gers touch

and we know that we be- long to- ge- ther now. To see how your heart ris- es is a

gift of in- com- pre- hen- si- ble va- lue. When I saw you it was ob- vi- ous that

35

you have to be some- thing ve- ry spe- cial. Be- cause I can

40

laugh with you Be- cause I can sing with you Be- cause I can cry with you

45

Be- cause I can be with you Be- cause I can laugh with you Be- cause I can

50

sing with you Be- cause I can cry with you Be- cause I can be with you as I

55

am! Be- cause I can be with you as I am!
