КОЛОКОЛА.

Слова ЭДГАРА ПОЭ перев. БАЛЬМОНТА.

I.

Слышишь, сани мчатся въ рядъ,
Мчатся въ рядъ.
Колокольчики звенятъ, [томятъ,
Серебристымъ легкимъ звономъ, слухъ нашъ сладостно
Этимъ пѣньемъ и гудѣньемъ о забвеньи говорятъ.
О, какъ звонко, звонко, звонко,
Точно звучный смѣхъ ребенка,
Въ ясномъ воздухѣ ночномъ
Говорятъ они о томъ,
Что за дниами заблужденья
Наступаетъ возрожденье, [сномъ.
Что волшебно наслажденье, наслажденье нѣжныя
Сани мчатся, мчатся въ рядъ,
Колокольчики звенятъ,
Звѣзды слушаютъ, какъ сани, убѣгая, говорятъ,
И, внимая имъ, горятъ,
И мечтая, и блистая, въ небѣ духами парять;
И измѣнчивыми сіяньями,
Молчаливымъ обаяньемъ, [говорятъ.
Вмѣсть съ звономъ, вмѣсть съ пѣньемъ, о забвеньи

II.

Слышишь, къ свадѣбѣ зовь святой,
Золотой.
Сколько нѣжнаго блаженства въ этой пѣснѣ молодой!
Сквозь спокойный воздухъ ночи
Словно смотрѣть чын-то очи,
И блестяще.
Изъ волны пѣвучихъ звуковъ на луну они глядѣть.
Изъ призывающихъ дивныхъ келей,
Полны сказочныхъ веселій,
Наростая, упадая, брызги свѣтлая летятъ.
Вновь потухнуть, вновь блестяще,
И роняютъ свѣтлый взглядъ [сномъ,
На грядущес, гдѣ дремлетъ безмятежность нѣжныхъ
Возвѣщаемыхъ согласьемъ золотыхъ колоколовъ.

III.

Слышишь, воюющій набатъ,
Точно стонетъ мѣдный адъ.
Эти звуки, въ дикой мукѣ, сказку ужасовъ твердѣть.
Точно молять имъ помочь,
Крикъ кидаются прямо въ ночь,
Прямо въ уши темной ночи
Каждый звукъ,
То длиннѣе, то короче,
Возвѣщаетъ свой испугъ, —
И испугъ ихъ такъ великъ,
Такъ безуменъ каждый крикъ,
Что разорванные звоны, неспособные звучать,
Могутъ только биться, биться и кричать, кри-
Только плакать о пошадѣ, [чать, кричать.
И къ пылающей громадѣ

Вопли скорби обращать.
А межъ тѣмъ огонь безумный,
И глухой и многошумный,
Все горить,
То изъ оконъ, то изъ крышъ,
Мчится выше, выше, выше,
И какъ будто говорить:
Я хочу

Выше мчаться, разгораться, встрѣчу лунному лулу,
Иль умру, иль тотчасъ, тотчасъ вплоть до мѣсяца взлечу.
О, набатъ, набатъ, набатъ,
Если бъ ты вернулся назадъ
Этотъ ужасъ, это пламя, эту искру, этотъ взглядъ,
Этотъ первый взглядъ огня,
О которомъ ты вѣщаешь, съ воплемъ, съ плачемъ и
А теперь намъ нѣтъ спасенья, [звеня.
Всюду пламя и кипѣнья,
Всюду страхъ и возмущеніе.
Твой призывъ,
Дикихъ звуковъ несогласность
Возвѣщаетъ намъ опасность,

То растеть бѣда глухая, то спадаетъ, какъ приливъ.
Слухъ нашъ чуто ловить въ перемѣнѣ звуковой,
Вновь спадасть, вновь ридаетъ мѣдно-стонущій прибой!

IV.

Похоронный слышень звонъ,
Долгій звонъ! [сомъ.
Горькой скорби, слышны звуки, горькой жизни кончень
Звукъ желѣзный возвѣщаетъ, о печали похоронъ.
И невольно мы дрожимъ,
Отъ забавъ своихъ спѣшишь,
И рыдаемъ, вспоминаемъ, что и мы глаза смежимъ,
Неизмѣнно-монотонный,
Этотъ возгласъ отдаленный,
Похоронный тяжкий звонъ,
Точно стонъ,
Скорбный, гибѣній,
И плачевный,
Выростаетъ въ долгій гулъ. [буль.
Возвѣщаетъ, что страдалецъ, непробудимъ сномъ ус-
Вѣ колокольныхъ кельяхъ ржавыхъ,
Онъ для правыхъ и неправыхъ
Грозно вторить обѣ одномъ: [сномъ.
Что на сердцѣ будетъ камень, что глаза сомкнутся
Факель траурный горитъ,
Съ колоколни кто-то крикнулъ, кто-то громко гово-
Кто-то черный тамъ стоять. [ритъ.
И хохочеть, и гремитъ,
И гудить, гудить, гудить,
Къ колоколниѣ припадаетъ,
Гулкій колоколъ качаетъ,
Гулкій колоколъ ридаетъ,
Стонеть въ воздухѣ нѣмомъ
И протяжно возвѣщаетъ, о покой гробовомъ.

GLOCKEN.

Von EDGAR POE.

Deutsch von BERTHOLD FEIWEL

nach der Übertragung ins Russische von K. BALMONT.

I.

Hörst du? Schlitten, windesschnell,
Windesschnell,
Schellenglöckchen klingeln hell,
Mit dem silberfeinen Schwingen
Weich das Ohr umstreichen sie,
Mit dem Singen, mit dem Klingeln
„Sollst vergessen!“ schmeicheln sie.
O wie lieblich hält es, hält es,
Wie ein Kinderlachen schallt es,
In dem Odem klarer Nacht
Sprechen Glöckchenstimmen sach:
Nach der Zeit des Irregehens,
Naht der Tag des Auferstehens,
Kommt die Lust des Ganz-Vergehens
In des Schlafes süßer Macht.
Schlitten-Flirren windesschnell,
Schellen-Klingeln silberhell,
Und die Sterne droben, lauschend
Der Enteilenden Gesang,
Glühen auf im Sehnsuchtsdrang,
Und sie träumen, und sie säumen
Geistergleich, im Strahlengold,
Und aus ihrem Wunderfimmern,
Aus dem schweigend-tiefen Schimmern,
Eins dem Singen
Eins dem Klingeln
„Sollst vergessen!“ tönt es hold.

II.

Hörst du? „Hochzeit“ tönt's entlang,
Goldner Klang!
Wieviel Zärtlichkeit und Inbrunst
In dem heil'gen Jugendsang!
Wie wenn träumend Augen schauen
Auf zum Himmelszelt, dem blauen,
Strahlend ganz,
Aus der Klänge reinem Wogen
Zu des lichten Mondes Glanz.
Aus der Macht und Pracht der Zellen
Voll der Lust, der wunderhellen,
Jetzt im Steigen, jetzt im Neigen,
Schwebt der holden Klänge Tanz.
Bald erlöschen, bald voll Glut,
Und ergießt des Liches Flut
Auf ein Zukunftsbild, wo lieblich

Keusche Träume ruhn zur Stund,
Die harmonisch-rein verkündet
Goldnen Tons der Glocken Mund.

III.

Hörst du, tobendes Gedröhni,
Gleichwie erznen Schlunds Gestöhn.
Banger Trauer Schmerz und Schauer
Wiederholt dies Schreckgetön.
Wie ein Flehen: „Helft, herheit!“
Füllt's die Nacht mit Schrei um Schrei,
Füllt's die taube Nacht mit Wehe,
jedes Schrein,
Bald getragner und bald jähre,
Klagt ins Dunkel seine Pein.
Und die Qual ist also groß,
Jeder Schrei so fassungslos,
Daß die ganz verworrenen Töne,
Nicht instand mehr Klang zu sein,
Nur noch irren, holpern, stolpern
Und nur schrein, nur schrein, nur
schrein,
Nur Erbarmen flehn und weinen
Und den grellen Flammenschein
Jammernd künden höchste Pein.
Doch indes der Brand, der tolle,
Dumpfe Brand, der schreckenvolle
Stetig schwillt.

Jetzt durchs Fenster, jetzt ganz oben,
Höher, höher Flammen toben,
Und es ist als spräch' es wild:
„Ja, ich will,
Hoch mich windend, neu entzündend
An des Mondes lichter Flut,
Sei's vergehn, sei's jetzt und jetzt
schon
Ganz hinauf zur Mondesglut.“
O Gedröhni, Gedröhni, Gedröhni,
O verstumme dies Getöhn,
Dies Entsetzen, diese Flammen, diese
Gluten — und dies Bild,
Dieses Feuers erstes Bild,
Das du überallhin meldest
Klagend, jammernd, hallend-wild.
Aber jetzt gibt's kein Erhören,
Ringsum flammades Zerstören,

Ringsum Schrecken und Empören!
Feuerschrei,
Deine Rufe wild-zersfahren
Künden gelind uns Gefahren,
Einmal wächst die Not, die dumpfe,
Dann verebbt die Raserei.
Und das Ohrlauscht bang dem Wechsel
Jedes Tons und jedes Klangs,
Jetzt dem Fallen, jetzt dem Schwellen
Ehern-hohlen Wellengangs.

IV.

Horch, es dröhnet Grabesklang,
Dumpf und bang,
Bittere Trüosal hallet wider,
Bittern Lebens Traum versank,
Und die Eisenzungen künden
Von dem bittern letzten Gang!
Unwillkürlich stockt der Fuß,
Alle Lust wird Überdruß,
Jähres Trauern läßt dich schauern,
Daß auch dein Aug' brechen muß.
Dieses quälische, stumpfe,
Langgezogene und dumpfe,
Monotone Grabgedröhni,
Dies Gestöhn,
Peinlich, grollend, voller Klagen,
Wächst sich aus zu höhlem Schrei,
Laut verkündend, daß der Büßer
Ew'gem Schlaf verfallen sei.
Aus den rostig-roten Mündern
So den Frommen wie den Sündern
Drohend dröhnt es hart und fest:
Daß ein Stein sich legt aufs Herz,
Schwarze Nacht die Augen preßt.
Rauch aus Trauerfackeln schwillt,
Einer schreit vom Glockenturm,
Einer ruft von dorther wild,
— Welch ein düstres Schreckensbiß! —
Wie er lacht, als ob er höhnt,
Und er dröhnt, er dröhnt, er dröhnt!
Nun im Turm mit irrem Springen
Jäh die Glocke läßt er schwingen,
Läßt die Glocke schluchzend klingen,
Stöhnend in die taube Luft,
Und getragne Kunde bringen
Von der Ruh in tiefer Gruft.

THE BELLS.

Russian Poem by K. BALMONT adapted from "The Bells" by E. A. POE.

English translation by FANNY S. COPELAND.

I.

Listen, hear the silver bells!
Silver bells!
Hear the sledges with the bells, [compels,
How they charm our weary senses with a sweetness that
In the ringing and the singing that of deep oblivion tells.
Hear them calling, calling, calling,
Rippling sounds of laughter, falling
On the icy midnight air;
And a promise they declare,
That beyond Illusion's cumber,
Births and lives beyond all number, [pare.
Waits an universal slumber—deep and sweet past all com-
Hear the sledges with the bells,
Hear the silver-throated bells; [foretells,
See, the stars bow down to hearken, what their melody
With a passion that compels, [shakes,
And their dreaming is a gleaming that a perfumed air ex-
And their thoughts are but a shining,
And a luminous divining [foretells.
Of the singing and the ringing, that a dreamless peace

II.

Hear the mellow wedding bells,
Golden bells! [foretells!
What a world of tender passion their melodious voice
Through the night their sound entrances,
Like a lover's yearning glances,
That arise
On a wave of tuneful rapture to the moon within the skies.
From the sounding cells upwelling
Flash the tones of joyous singing [throats
Rising, falling, brightly calling; from a thousand happy
Roll the glowing, golden notes,
And an amber twilight gloats [foretells,
While the tender vow is whispered that great happiness
To the rhyming and the chiming of the bells, the golden
[bells!

III.

Hear them, hear the brazen bells,
Hear the loud alarum bells! [dwells!
In their sobbing, in their throbbing what a tale of horror
How beseeching sounds their cry
'Neath the naked midnight sky,
Through the darkness wildly pleading
In affright,
Now approaching, now receding
Rings their message through the night.
And so fierce is their dismay
And the terror they portray, [only speak
That the brazen domes are riven, and their tongues can
In a tuneless, jangling wrangling as they shriek, and shriek,
Till their frantic supplication [and shriek,
To the ruthless conflagration
Grows discordant, faint and weak.

But the fire sweeps on unheeding,
And in vain is all their pleading
With the flames!
From each window, roof and spire,
Leaping higher, higher, higher,
Every lambent tongue proclaims:
I shall soon,
Leaping higher, still aspire, till I reach the crescent moon;
Else I die of my desire in aspiring to the moon!
O despair, despair, despair,
That so feebly ye compare [glare,
With the blazing, raging horror, and the panic, and the
That ye cannot turn the flames, [claims.
As your unavailing clang and clamour mournfully pro-
And in hopeless resignation
Man must yield his habitation
To the warring desolation!
Yet we know
By the booming and the clangling,
By the roaring and the twanging, [how.
How the danger falls and rises like the tides that ebb and
And the progress of the danger every ear distinctly tells
By the sinking and the swelling in the clamour of the bells.

IV.

Hear the tolling of the bells,
Mournful bells! [tells!
Bitter end to fruitless dreaming their stern monody fore-
What a world of desolation in their iron utterance dwells!
And we tremble at our doom,
As we think upon the tomb, [gloom.
Glad endeavour quenched for ever in the silence and the
With persistent iteration
They repeat their lamentation,
Till each muffled monotone
Seems a groan,
Heavy, moaning,
Their intoning,
Waxing sorrowful and deep, [sleep.
Bears the message, that a brother passed away to endless
Those relentless voices rolling
Seem to take a joy in tolling
For the sinner and the just [turned to dust
That their eyes be sealed in slumber, and their hearts be
Where they lie beneath a stone.
But the spirit of the belfry is a sombre fiend that dwells
In the shadow of the bells,
And he gibbers, and he yells,
As he knells, and knells, and knells,
Madly round the belfry reeling,
While the giant bells are pealing,
While the bells are fiercely thrilling,
Moaning forth the word of doom,
While those iron bells, unfeeling,
Through the void repeat the doom:
There is neither rest nor respite, save the quiet of the tomb!

Meinem Freunde Willem Mengelberg und seinem Concertgebouw-Orchester in Amsterdam gewidmet.

This page from a musical score displays a dense arrangement of instruments across two systems of music. The top system includes parts for Flute II, Piccolo, Oboe, Clarinet, Bassoon, Bassoon C, Bassoon D, Horn III, Horn IV, Trombone II, Trombone III/Tuba, Timpani, Bass Drum, Tambourine, Piatti, and Coro. The bottom system includes parts for Piano, Cello, Harp, Violin I, Violin II, Viola, Cello Bass, and Double Bass. The score is filled with musical notation, including various clefs, key signatures, and dynamic markings such as 'dim.', 'f', and 'marc.'. The harp section in the bottom system is particularly active, with multiple staves and complex rhythmic patterns.

Più mosso.

Musical score for orchestra and choir, page 38, measures 41-42. The score includes parts for Flute II, Oboe, Clarinet, Bassoon, Bassoon solo, Harp, Violin I, Violin II, Viola, Cello/Bass, and Soprano solo. The vocal part has lyrics in Russian and English: "и в мою дой / gen Ju send sang / dious voice fore tells." Measure 41 starts with a ritardando (rit.) followed by a dynamic of *dim.* The strings play eighth-note patterns. The vocal part enters with a melodic line. Measure 42 begins with a dynamic of *p*, followed by *cresc.* The strings play sixteenth-note patterns. The vocal part continues its line. The score ends with a dynamic of *pp*.

A detailed musical score page from a symphony, page 6. The score includes parts for Flute (Fl. picc.), Clarinet (Clar.), Bassoon (Cl. basso), Trombone (Tromb. I.II.), Trombone and Bass (Tromb. III e Tuba), and Tuba (Timp.). The page features complex musical notation with various dynamics like 'dim.', 'pp', and 'poco cresc.'. The score is written on multiple staves, with some instruments having two staves each. The instrumentation is typical of a late 19th-century symphony.

A detailed musical score page from Gustav Mahler's Symphony No. 5. The page features ten staves of music for various instruments. The instruments listed on the left are: Fl. picc., Fl., PI., III., I., Ob., II. III., C. ingl., I. II., Clar., III., Cb. basso., I. II., Paf., III., C.-Paf., I. II., Cor. III. IV., V. VI., I. II., Tr., III., Tromb. I II., Tromb. III e Tuba., Timp., Trgl., Tamb., Piatti o C., Trombone. The music consists of two systems. The first system starts with a dynamic of f and includes measures for Fl. picc., Fl., PI., III., I., Ob., II. III., C. ingl., I. II., Clar., III., Cb. basso., I. II., Paf., III., C.-Paf., I. II., Cor. III. IV., V. VI., I. II., Tr., III., Tromb. I II., Tromb. III e Tuba., Timp., Trgl., Tamb., Piatti o C., Trombone. The second system begins with a dynamic of mf and includes measures for Fl. picc., Fl., PI., III., I., Ob., II. III., C. ingl., I. II., Clar., III., Cb. basso., I. II., Paf., III., C.-Paf., I. II., Cor. III. IV., V. VI., I. II., Tr., III., Tromb. I II., Tromb. III e Tuba., Timp., Trgl., Tamb., Piatti o C., Trombone.

Andante. (♩=d)

poco a poco calando e meno mosso

Musical score for orchestra and choir, page 10, measures 1-10. The score includes parts for Flute II, Clarinet III, Clarinet basso, Bassoon III, Bassoon I, Horn III, Horn IV, Piano, Harp, Violin I, Violin II, Viola, Cello, Double Bass, and Chorus. The vocal parts sing "Ah! che cosa è questo?" The piano part provides harmonic support with sustained notes and chords. The score is written in 2/4 time, with various dynamics like *p*, *pp*, *dim.*, and *uim.* indicated throughout the measures.
