Comme les CANTATES sont devenuës à la mode ; j'ay cru que je devois à la sollicitation de quantité de personnes, en donner quelques-unes au Public de ma façon. J'ay taché autant que j'ay pu de mêler avec la delicateſſe de la Musique Françoise, la vivacité de la Musique Italienne : Peut-être que ceux qui ont abandonné tout-à-fait le goût de la premiere, ne trouveront pas leur compte dans la maniere dont j'ay traité ce petit Ouvrage. Je suis persuadé autant que qui que ce soit du mérite des Italiens, mais notre langue ne ſcuroit souffrir certes choses qu'ils font passer. Notre Musique a des beautez qu'ils ne ſcuroient ſempêcher d'admirer, & de tacher d'imiter, quoys qu'elles ſoient negligées par quelques-uns de nos François. Je me ſuis attaché ſur tout à conſerver la beauté du chant, l'exprefſion, & notre maniere de reciter, qui ſelon mon opinion eſt la meilleure ; C'eſt aux gens de bon goût à décider ſi j'ay tort ou raison.
