

David Symphony

1 - David and Goliath

Now when the Philistine made a move and came near to David, David quickly went at a run in the direction of the army, meeting the Philistine face to face.

And David put his hand in his bag and took out a stone and sent it from his leather band straight at the Philistine, and the stone went deep into his brow, and he went down to the earth, falling on his face.

So David overcame the Philistine with his leather band and a stone, wounding the Philistine and causing his death: but David had no sword in his Hand.

Samuel 1 , 17: 48 - 50
