Nel Collegio di Santa Orsola in Nouara

Opera Sesta

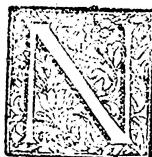

Consegnata

ALL'ILL. E REV. SIG.
IL SIG^{re} LORENZO LEONARDI

Canonico Archidiacono nella Catedrale di Nouara

MO RE
ILL. SIG.

On potendo più tener à freno l'impeto del desiderio, che forte mi si è acceso al cuore; dimonstra di tutt'altro, fuor che diciò, che in V.S. Illustrissima è gran merto; dandone per hora il bando alle leggi dell'affinità, che più d'una fata trattengono fra ceppi del silentio annodata la lingua di chi, perché testimoniò più da vicino, harrebbe à gran forte publicare al mondo con felicissimo volo i pregei di qualche grand'animo: lascio perciò correr la mia penna doue la spinge l'affetto; ne aitroue vien spinta per render protetti i mie deboli parti che al ricouero di V.S. Illustrissima Sò esser le mie musiche imperfetissimi abozzi; e non per questo mi disanimo dell'impresa: sendoli d'vopo, quanto più oscure note in se racchiudono; d'esserne tanto più animate dall'albore delle sue virtù; di cui come ne vadi freggiato il suo glorioso nome, tutto il mondo se' sà. Non pretendo però con si picciolo tributo ne pur in ombra de Incare l'heretiche prerogative, che nobilitano il suo gran cuore: perché ò riguardano allo splendore di sua famiglia, da cui ne vscirono tanti heroi, immortali per lo splendor delle toghe, riguardequoli per il valor dell'armi, eminenti per il lustro della Santità; ò pur al proprio merito di V.S. Illustrissima; di cui basta ildire esser stato più volte Vicario, e Provicario Generale, destinato Archidiacono di questa Catedrale, nostro perpetuo, e vigilantissimo Conservatore, tutto à bilancio del suo valore, sempre farebbe vn trafigger la modestia di chi, per viuer lungi dagli applausi del mondo, pose con generoso risiuto anche in non cale i molti multiplicati honoris, che die' le terreano. Fauellar di sue glorie dall'insufficienza vienmi fatto il diuieto, sendomi pur di fageuole giunger col pensiero, chi va auanti à si gran passi: e solo m'animò con ogni più intenso affetto pregar V.S. Illustrissima farsi talmente suo questo picciol dono coll'aggradirlo, che porpendole alla Reina de Cicili, anch'essa con occhio di benignità lo riguardi.

Di V.S. Illustrissima, e Reverendissima,

Obligatissima Cugina

Isabella Leonarda

ALLA BEATISSIMA VERGINE

Raiuerei dal diritto sentiero del ragioneuole, se altra luce mendicassi, ò Auguissima Signora, per auuiuar i miei oscuri parti, che quella del vostro gloriosissimo nome, da cui à torrenti ne sgorga; e pretendesi rendermi nella memoria di chi per lo più feco ne sepelisce la rimembranza di se stesso, immortale. Parmi da compassionarsi in questa etade l'uniuersal inganno degli huomini, quali, à guisa di mal consigliato Piloto, che nulla teme il pericolo dello sdrucir in uno scoglio, ò pur anche dell'assorbirsi, perché prouisto di ben corredata naue, del tutto fidati all'altru spalle, pensano traggittarsi al conquisto dell'immortalità, solo perche fanno a scondersi sotto l'ali del merto di qualche riguardeuole Personaggio, non disfando, li puoco auueduti che sono, che anche i gran Colossi di bronzo, à quali sù destinato il corso dell'i anni col perpetuo viuer del mondo forti per hauer imagine d'huomo, mal tènendosi all'infedel suolo, à puoco più di mezzo vn secolo di sua età, cader morti sul lido, e, ne dìrò feco il lor nome. Siaui perciò in grado ò Vergine, che io in altri di me fomenti inuidia, non compassione, sottomettendomi alla vostra protezione, di cui ne viuo al più non posso ambisca; sa pendo benissimo, che fora errore à dismisura maggiore, sottrarmi dal vostro Santissimo braccio, confidata in chi che fosse, che non sia tuffarmi, per arricchire, in paludi di null'altro vber tose, che di vil fango; non curantemi di quelle reali sargentì, che in maggior copia dell'acque annidano in sen d'argento le rene d'oro, ò vero trasuperiore stoltezza, che non sia presumer di cogliere, ò frutta, ò fiori in quelle spiagge diserte, da quali ne pur fil d'herba vi si germoglia; abbritene, e nulla stimatene le fertili, e di quanto d'utile, e vago puossi produrre abundantissime. Contefisi, che non hanno frà loro ombra di propotione, o di verun confronto i vesti gran preggii, i mè piccoli tributj; insuperbende a d'essei musici di vostra Corte li Serafini stessi, mentre pure si vanta l'arte d'apprenderne da voi il magistero: mà se tanto ardisco, mercè di vostra gratia il faccio, e se bene soura de nostri capi si lieuano i merti vostri, non per tanto riconoscendi come il Sole, che non ildegna beneficiare à pari de Cedri del Libano i minimi virgulti della terra; così anche voi, ò Sourana Signora, tutta cuore di pietà alla come un protezion de vostrì serui, spentone ogni timore, coniacroui con tutta assieme meco, questi humili parti, suppli candoui con quanto afflito nedisco nel cuore, eserui, se ben di niun valore, accetti; e tali gli spero, mentre à voi ne passano per mani santificate da si nobili, ed heroiche imprese, quante ne ha poste alla luce del mondo. Lorenzo Leonardi.

ca - ti de le culpas san tifica cor vt ad te
b

This section consists of two staves of music. The top staff uses a soprano C-clef, and the bottom staff uses an alto F-clef. The music is in common time. The vocal line includes lyrics such as "ca - ti de", "le culpas san tifica cor", and "vt ad te". Measure numbers 6 and 5 are indicated above the staves.

vo lem ad te volem Iesu

This section continues the musical score from the previous section. The vocal line includes the lyrics "vo lem ad te volem Iesu". Measure numbers 6 and 6 are indicated above the staves.

a man tissi me vt ad te volem ad te vo-

This section continues the musical score from the previous sections. The vocal line includes the lyrics "a man tissi me vt ad te volem ad te vo-". Measure numbers 3 and 43 are indicated above the staves.

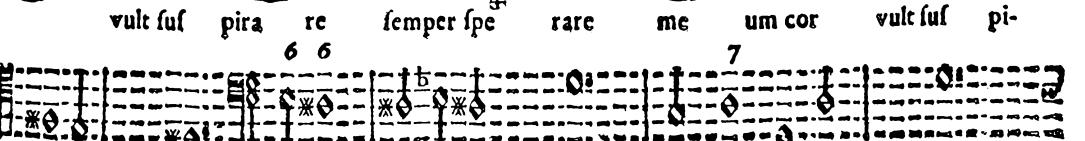

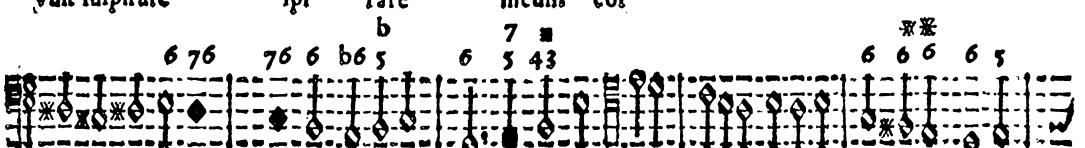

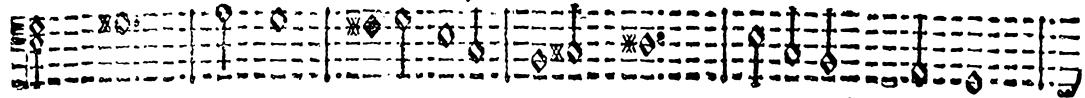

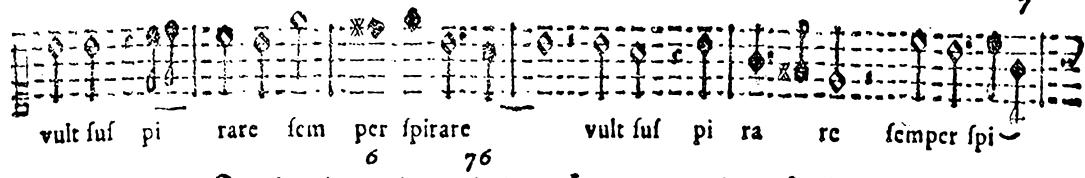

lem Iesu aman tissi me Iesu aman tissime

This section continues the musical score from the previous sections. The vocal line includes the lyrics "lem Iesu aman tissi me Iesu aman tissime". Measure numbers 6, 6, 7, and 43 are indicated above the staves.

adagio

In plagis cui a moris

This section begins with an "adagio" instruction. The vocal line includes the lyrics "In plagis cui a moris". Measure numbers 36, 6, 6, 6, 6, 4, 4, and 3 are indicated above the staves.

Sheet music for guitar, featuring tablature on six horizontal lines. The music is divided into measures by vertical bar lines. Various symbols are placed above the strings, including dots, crosses, and asterisks. Numerical markings such as 56, 6, 43, 56, 6, 3, 57, 6, 65, 43, and 65, 43* are scattered throughout the tabs. The lyrics "Tu si dus in" are written below the final measure.
