Ferrariae, Mutinae & Regij Duci &c. Cet.

Iohannes Petraloyfius prænæstinus S. D.

Vm eorum, quæ publicè in Ecclesia cani solent, tertium Librum amicorum rogatu in lucem edere decrevissem, te potissimum S E R E N I S S I M E P R I N C E P S delegi, cui eum inscriberem, quasiq; consecrarem: nam cum multos annos Illustrissimo ac Reuerendissimo Cardinali felicis recordationis Hippolyto quanta potui veneratione ac diligentia inseruierim, incredibilem quandam observationem me amplissimo nomini Estensi debere non obscure cognosco. Quapropter & inde usq; ardebat animus studio declarandi aliquo testimonio summam meam in te obseruantiam: quod cum alia ratione facere me posse non viderem, hæc quæ à me summo studio elaborata erant, in tuo nomine publicum accipere volui: Te igitur etiam atque etiam oro, ut hoc meum munus, quantulumcunque est, prompto animo, iucundeq; accipias: neque. n. potentissimus Persarum rex Artoxerxes puram fluminis aquam rustici hominis manibus oblatam aut respuit, aut neglexit. Vale Serenissime Princeps, quem Deus Opt. Max. diu in terris saluum, incolumemq; conseruet.
