sic planè, ut cœlestium Symphonasorum concentibus nequaquam satur dichoriam videaris postulare, cui<sup>9</sup> illi quidem chorodiam præant, nos mortalium genus Antichoriam faciamus. Cantabo igitur DOMINO: importunus non ero, quia rogatus: patulas inveniam aures, quia cupidas; nec dissona mea erit Musica, quia Angelicæ consonabit: aut certè si quid nostrâ ex parte, deflexâ sūrsum deorsumve ad vitium usque voce, per hemitonos peccatum fuerit, Illi suaviùs mox admodulando felicissimè omnia emendabunt, & vel sic Mollior existet harmonia, quia ex Duro nata. Hac igitur animatus fiduciâ Vocales hasce pagellas meas MAJESTATIS TVÆ Solio pro suppedaneo adsterno, PEDIBUS priùs Tuis dignandas, qùam AURIBUS; tum si etiam ad AURES illas admittere decreveris, rogo, quæsoque, ut eas impresso priùs PEDIS vestigio signes; hoc enim velut obsignatæ, commendatæque sigillo facilem deinceps in dicata TIBI Odea invenient aditum. Cantabuntur in Ecclesijs piorum, postquam in Ecclesia Sanctorum Divinum obtinuerint testimonium. Nec erit qui eas cantare detrectet, quas Numen calcare non dedignum est. Audient veræ MISSÆ, quia cœlo, quò eas aurigantibus suspirijs amiseram, denuo in terras missæ.

Illud nunc à TE, POTENTISSIME DEVS, infimâ contendô prece, ut, Qui omnia in NUMERO, PONDERE, & MENSURA disposuisti, musicos imprimis numeros meos, quos sentio, quàm fint hiantes, TV saltem numeris, si non omnibus, sic certè absolvias, ut in aliquem apud TE, Tuósque Cœlites numerum veniant. PONDUS deinde sic ijsdem suffice, ut grave acuto, profundum elato, imum summo variè permixtum, atque discriminatum Gloriam TIBI in Excelsis per clamantium de profundis voces ritè congreginet. MENSURAM denique præpotenti illo BRACHIO (en! quò iterum mea me prouexerit audacia, qui illud implorare BRACHIUM non vescor, cuius vel soli tres digiti universam terrarum machinam suspendunt) sic præfinias, ut non tam AUDITOR, quam Tuarum laudum ipse videaris esse CHORAGUS. Abrumpo, illius memori: Deus enim in cælo, & tu super terram: idcirco sint pauci sermones tui. Ecclesiastis 5. Ad extremum tamen & hoc subiecto: exortum me non sine copioso gestientis animi solatio Sacra mea omnia à supplicibus illis voculis KYRIE ELEISON, ut vel cx supra opusculi mei fronte, primisque precibus intelligas, omni me labore meo aliud apud TE mercari non voluisse, quàm ut cum Regio olim Psalte Psalm 88. vovere possim: Misericordias DOMINI in aeternum cantabo. Ita precatur

Tuus ille, qui sperat,

A page from a historical music manuscript, likely a psalm or hymn, featuring six staves of musical notation and one staff of text.

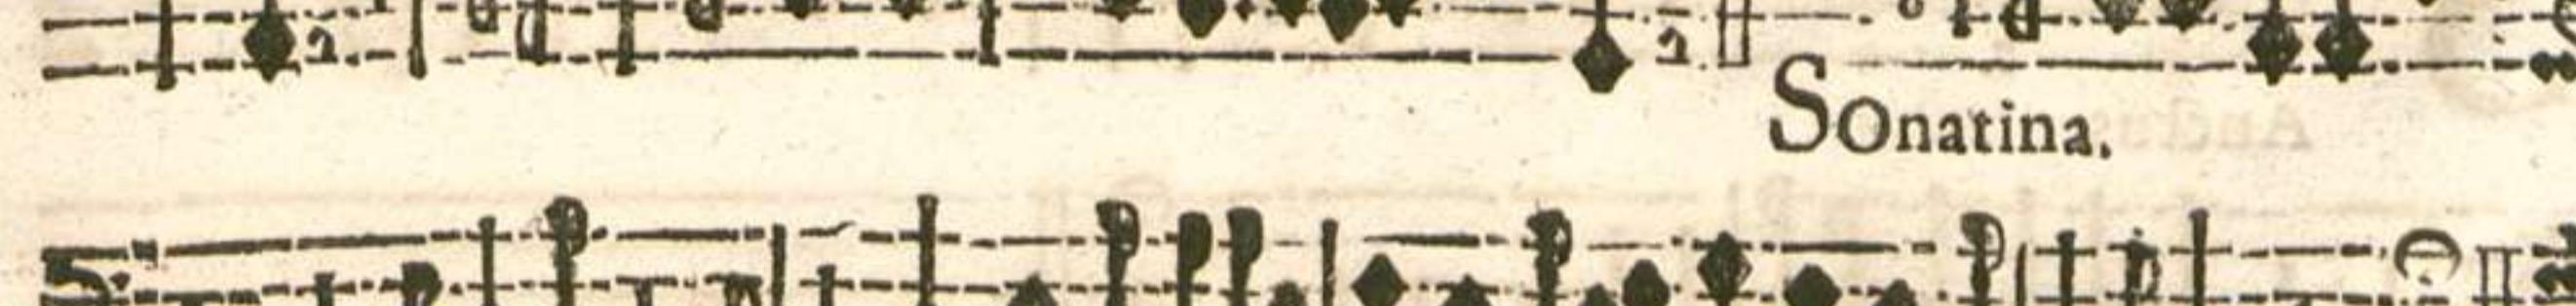

The musical notation consists of six staves, each with five horizontal lines. The notes are represented by black diamond shapes. The first five staves are identical, showing a continuous sequence of notes. The sixth staff begins with a large capital letter 'P' followed by a three-line figure: a vertical line with a '3' at the top, a horizontal line with a '2' below it, and a vertical line with an 'R' below it. Below this figure is the word 'Atrem.'

The text staff contains the word 'Atrem.' followed by a short musical staff consisting of two vertical lines and a horizontal line with a 'S' below it.

IV. MISSA SS. Nominis IESV. TROMBONE ò VIOLA BASSO:

The image shows a handwritten musical score for Trombone or Bassoon, consisting of four systems of music. Each system begins with a large, bold capital letter (S, K, K, and another K) followed by a short melodic line and a fermata. The music is written on five-line staves using a system of dots and diamonds for pitch and stems for rhythm. Measures are separated by vertical bar lines. The score includes several rests and a final ending. The manuscript is on aged, yellowish paper.
