CANTVS

IOAN: PETRALOYSII

PRAE NESTINI

MOTTETORVM

Quinq; Vocibus

LIBER QVARTVS, EX CANTICIS

Salomonis, Nunc denuo in lucem editus

Venetijs Apud Angelum Gardanum.

M. D. LXXXVII.

29-3° Fondo Beini T. II. pag. 144.

SANCTISSIMO D. N. GREGORIO XIII.
PONT. MAX.

Xtant nimis multa poetarum carmina, nullo alio, nisi amorum & Christiana professione, & nomine alienorum argumenta: ea vero ipsa carmina hominum verè furore correptorum, ac iuuentutis corruptorum magna musicorum pars, artificij, industrieque suæ materiam esse voluerunt, qui quantum ingenij laude floruerunt, tantum materiæ vitio apud bonos, & graues viros offenderunt. Ex eo numero aliquando fuisse me, & erubesco, & doleo. Sed quando præterita mutari non possunt, nec reddi infecta, quæ facta iam sunt, consilium mutaui. Itaque & antea elaboraui in ijs, quæ de laudibus Domini nostri Iesu Christi, Sanctissimæque eius Matris, & Virginis Mariæ carminibus scripta erant, & hoc tempore ea delegi, qui diuinum Christi, sponsæque eius animæ amorem continerent, Salomonis nimirum cantica. Vfus sum genere aliquanto alacriore, quàm in ceteris Ecclesiasticis cantibus vti soleo: Sic enim rem ipsam postulare intelligebam. Volui autem hoc quid quid est operis offerre Sanctitati tuæ, cui, si minus re ipsa, at certe voluntate & conatu, satisfactum iri non dubito. Sed si, quod vtinam contingat, re etiam ipsa satisfecero, incitabor ad alia edenda, quæ tuæ Sanctitati grata fore existimabo. Conseruet nobis Deus quamdiutissime Gregorium Pastorem vigilantissimum, suiq; gregis amantissimum, cumuletq; omni felicitate.

Humilis Seruus

Ioannes Petrus Aloysius Prænestinus.

1

CANTVS

Sculetur me osculo oris tui tu-

i

Osculetur me osculo oris tu-

i oris tui quia meliora sunt vbera
