MOTTETORVM

Quinq; Vocibus

LIBER QVARTVS, EX CANTICIS

Salomonis, Nunc denuo in lucem editus.

Venetijs Apud Angelum Gardanum.

M. D. LXXXVII.

D

SANCTISSIMO D. N. GREGORIO XIII
PONT. MAX.

Extant nimis multa poetarum carmina, nullo alio, nisi amorum Christiana professione, & nomine alienorum argumenta: ea vero ipsa carmina hominum verè furore correptorum, ac iuuentutis corruptorum magna musicorum pars, artificij, industrieque suæ materiam esse voluerunt, qui quantum ingenij laude floruerunt, tantum materiæ vitio apud bonos, & graues viros offenderunt. Ex eo numero aliquando fuisse me, & erubesco, & doleo. Sed quando præterita mutari non possunt, nec reddi infesta, quæ facta iam sunt, consilium mutavi. Itaque & antea elaboravi in ijs, quæ de laudibus Domin nostri Iesu Christi, Sanctissimæque eius Matris, & Virginis Mariæ carminibus scripta erant, & hoc tempore ea delegi, qui diuinum Christi, sponsæque eius animæ amorem continerent, Salomonis nimirum cantica. Vt sum genere aliquanto alacriore, quàm in ceteris Ecclesiasticis cantibus uti soleo: Sic enim rem ipsam postulare intelligebam. Volui autem hoc quid quid est operis offerre Sanctitati tuæ, cui, si minus re ipsa, at certe voluntate & conatu, satisfactum iri non dubito. Sed si, quod vtinam contingat, re etiam ipsa satisfecero, incitabor ad alia edenda, quæ tuæ Sanctitati gratæ fore existimabo. Conseruet nobis Deus quamdiutissime Gregorium Pastorem vigilantissimum, suiq; gregis amantissimum, cumuletq; omni felicitate.

Humilis Seruus

Ioannes Petrus Aloysius Prænestinus.
