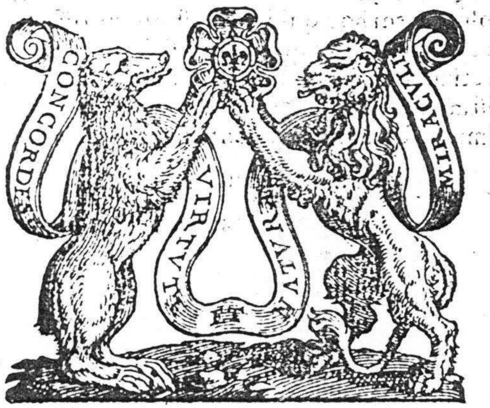
LIBER QVARTVS, EX CANTICIS

Salomonis, Nunc denuo in lucem æditus.



Venetijs Apud Angelum Gardanum.

M. D. LXXXVII.

N

BIBLIOTECA
LICEO MUSICALE

SANCTISSIMO D. N. GREGORIO XIII. PONT. MAX.

EXtant nimis multa poetarum carmina, nullo alio, niſi amorum à Chriſtiana profeſsione, & nomine alienorum argumenta: ea vero ipſa carmina hominum verè furore correptorum, ac iuuentutis corruptorum magna muſicorum pars, artificij, induſtrięque ſuæ materiam eſſe voluerunt, qui quantum ingenij laude floruerunt, tantum materiæ vitio apud bonos, & graues viros offenderunt. Ex eo numero aliquando fuiſſe me, & erubeſco, & doleo. Sed quando pręterita mutari non poſſunt, nec reddi infecta, quę facta iam ſunt, conſilium mutaui. Itaque & antea elaboraui in ijs, quæ de laudibus Domini noſtri Ieſu Chriſti, Sanctiſsimæque eius Matris, & Virginis Mariæ carminibus ſcripta erant, & hoc tempore ea delegi, qui diuinum Chriſti, ſponſæque eius animæ amorem continerent, Salomonis nimirum cantica. Vſus ſum genere aliquanto alacriore, quàm in cęteris Eccleſiaſticis cantibus vti ſoleo: Sic enim rem ipſam poſtulare intelligebam. Volui autem hoc quid quid eſt operis offerre Sanctitati tuæ, cui, ſi minus re ipſa, at certe voluntate & conatu, ſatisfactum iri non dubito. Sed ſi, quod vtinam contingat, re etiam ipſa ſatisfecero, incitabor ad alia edenda, quę tuę Sanctitati grata fore exiſtimabo. Conſeruet nobis Deus quamdiutiſsime Gregorium Paſtorem vigilantiſsimum, ſuiq; gregis amantiſsimum, cumuletq; omni felicitate.

Humilis Seruus

Ioannes Petrus Aloyſius Præneſtinus.
