ILLVSTRISS. ET ECCELLENTISS.
GVILIELMO BAVARIAE PRINCIPI

Andreas Gabrielis Musicus Summam, perpetuamq; Felicitatem Precatur.

N More positum est, vt qui suas vigilias emittere cupiunt, aliquem, cui eas inseribant, sibi munificum virum parent, a quo in premium sui laboris aliquid muneris expectent. Sed mea ratio Princeps benignissime; longe diuersa est ab illorum ratione. nam cum non tantum fortunæ bona, quæcunq; possideo, sed etiam quod viuam Celsissimis Bauariæ Principibus acceptum referam, nihil a me fieri potest, quod exiguum vestrorum in me meritorum partem assequatur. veruntamen in hac summa non dicam referendi, sed agendi vobis gratias difficultate hoc me vnum consolatur, quod ea est tui Sereniss. Patris Inclyti Ducis, ac tuæ naturæ benignitas, vt loco beneficij oblatam fungendi munere liberalitatis occasionem arripiatis. ex quo nullam pro collatis beneficijs vobis gratias deberi, ne dum referri vultis. sed ne causam cessationis a labore hac excusatione me quæsisse videar, has sacras cantiones Quatuor Vocibus ad Solemnitates totius Anni perapositas, de meaq; Officina Musica nuper deprentas, ac typis nunc primum impressas tibi dicatas ad te mitto. tenue quidem munus. fateor: sed & tibi vt Principi religiosissimo perapositum: & mihi vt Musico non inconueniens. cuius tenuitatem, vt spero, humanitatis tuæ magnitudo subleuabit. Vale.

 Illigam te Domine fortitudo mea fortitudo mea
 Dominus firmamen tum me um & refugium meum
 & refugium meum & liberator meus & liberator me us adiutor
 me us Deus meus adiutor me us & sperabo in eum & sperabo in
 eum & sperabo in eum.

In Natiuitate Domini.
