Critical notes:

This score is the first modern edition of the song “Regnbuen. Digt af Oehlenschläger” (The Rainbow. Poem by Oehlenschläger) by the Danish composer “Ida Henriette da Fonseca” (1806-1858). For information on the composer see the article in “Dansk Kvindesbiografisk Leksikon”, <http://www.kvinfo.dk/side/597/bio/677/origin/170/query/fonseca/> by Lisbeth Ahlgren Jensen and, by the same author, “Det kvindelige spillerum”, Multivers, Copenhagen 2007. The source of this song is 2 printed volumes of solo songs with piano accompaniment “Romancer med Pianoforte-Accompagnement” published in Copenhagen by J.D.Qvist 1848-1853, preserved at the Royal Library of Copenhagen, Denmark. According to Lisbeth Ahlgren Jensen we have no other sources like manuscripts, sketches etc. of Ida Fonseca’s compositions.

The poem, a fable by Adam Oehlenschläger (1779–1850) was first published in “Oehlenschlägers samlede Digte. Anden Deel”, København 1823.

This modern edition comes in 2 variants, an ‘urtext’ edition and a modernized edition. The urtext edition generally attempts to keep close to the original printing but may silently amend inconsequences in the use of short cut notations like repeated musical figures. In the modernized edition all notation short cuts have been expanded, the beaming of the vocal staff has been adapted to modern practices.
