SOURCES AND EDITORIAL NOTES

Suite Rose no. 3 was first published in 2016. This revised version was prepared and published in 2019. Most of the revisions give the players more places to breathe.

The editions of the Rose etudes that I used are listed below, along with the original etudes that Rose used to prepare his clarinet versions. The citations of the original etudes include the year of first publication and a full citation of the edition that I used to edit and correct some passages in Rose.

Editorial revisions are mine or are from the cited edition of the original etude. The four etudes from these editions are included at the end of the score.

Notable discrepancies between the Carl Fischer editions of Rose and the original etudes are listed below in brackets. In these passages I follow the Carl Fischer edition of Rose.
