COLLENDISSIMO
IL S. G. OTTAVIO VALERA.

SONO tantocare, e bramate l'opere del Sig. Gio. Paolo Cima, per la b. n. iade, & leggiadria loro, secondo la comune opinione de gl'intendenti, che spinto dall'innato desiderio mio di giouare à tutti, mi vado tutta via forzando d'hauerne alcuna (se bene con difficoltà grandissima per la molta modestia d'esso Sig. Cima, che si poco le reputa) per comunicarla al Mondo co'l mezzo della mia Stampa. Et in particolare hò procurato con ogni diligenza d'hauere questi Concerti Ecclesiastici, tanto graditi mentre erano cantati, & da lui suonati, ch'ogni uno bramaua d'hauerne copia. Mi restaua solo di trouare persona alla quale conueneuolmente dedicargli potessi: Et ecco, che subito mi si presentò V. S. M. Illust. tanto affezionata alla Musica, & insendente di essa, che in Casa sua riceue, & accarezza tutti gli Virtuosi di questa professione, & ci tiene non solo d'ogni sorte d'Instrumenti; mà de' migliori, che possino ritrouarsi; quali anco sà molto bene adoperare, come ho inteso più volte da diuersi. A lei dunque presento io questi Concertini, come à quella che conoscerà benissimo il valore d'essi, & gli gratiosi, & affettuosi mouimenti, che con tanto artificio posti vi sono; che perciò dirà, che à lodarli non sono tanto costretto dall'affetto; quanto dall'effetto, anzi che non arriuo alli meriti loro, e dell'Autore. Gradiscali V. S. M. Illust. con la solita benignità sua, & come cose di così Eccellente Autore, & come da me donate, che desidero d'esserle seruitore che per tale con ogni affetto, e riverenza, me le dedico. Di Milano alli 26. di Ottobre 1610.

IL FINE.

L' A V T O R E

ALLI BENIGNI LETTORI.

REGOVI Gentilissimi Signori, che per vostro diletto vorrete cantare questi miei Concertini, (il che sia detto solo per mia sodisfattione, non per ch'io pretenda d'insegnare ad alcuno) mi facciate gratia di cantarli come stanno, con quello maggiore affetto, che sia possibile. Et se pure alli leggiadri cantanti piacesse d'accrescerli qualche cola; per cortesia lo faccino solo ne gli accenti, e trilli. Mi fauoriranno anco li valenti Organisti quando sonaranno questi miei (solo con Basso, & Soprano) accompagnarli con le parti di mezo con quella maggior diligenza che sia possibile, perche gli accompagnamenti grati fan grato il Canto. Et scuoprendo passi alquanto licentiosi, considerino le parole, ouero l'affetto della Musica, che troueranno esser fatta ogni cola con sano giuditio. Et benche nel Partito in molti luoghi ci siano le gratie, come stanno nelle parti; L'hò fatto acciò si vegga lo stile; oltreche anco è di molto agiuto al Cantore suonargli talvolta l'ornamento. Ma per lo più giudicarei essere bene, toccare solo il fermo, rimettendomi però del tutto al perfettissimo giudicio loro, col quale stimando degna di luce questa opera mia, ne sia data ogni lode solo all'Altissima Maestà di Dio, liberalissimo Donatore di tutte le gratie. Viuete felici.
