Trio no. 4, op. 14 no. 1, e-minor

Piano Trio No. 4

in e-minor, op. 14 No. 1

Georges Onslow 1784 - 1853

This version of the piano trio no. 4, op. 14 no. 1, by Georges Onslow--intended as rehearsal and performance material--is based on a Breitkopf & Haertel (B&H) edition from approx. 1843 (plate number 7603) that is published on IMSLP.com--from which the title page has been borrowed. The original consists of three parts for the three instruments (but no score) in modestly readable print. Also available on IMSLP are the string parts (last page of violin part missing) of this work in a Haslinger edition, ca. 1820 (plate number S.u.C. 3021) which differs almost not at all from B&H. The work was re-typeset as literally as possible using the Musescore software package (version 1.2.; freeware, see Musescore.org for details). The new typeset includes measure numbers and a piano score containing the violin and cello parts.

Dynamic markings: Additional markings and suggested corrections: in brackets.

Accents: The markings “*fz*” and “*sf*” as well as “<” are used interchangeably in the original. They were typeset as they appear there. The marking “*dolce*” implies piano or mezzopiano, usually in a leading voice.

Slurs: Suggested additional slurs: dotted line.

Accidentals: Some few accidentals had to be added by way of correcting errors in the original: in brackets.

Fingerings (on only very few occasions) were copied from the original as well as metronome markings.

An attempt was made to correct dynamic markings such that the markings in the three parts match, mostly by adding markings in parts where they were obviously left out by error. A satisfactory “reconstruction” of the dynamics as intended by the composer resulted in my opinion from this proceeding. As for the string parts: Dynamic markings present in only one of the sources were used for the typeset; they always match markings in at least one other voice. However, the articulation markings and legato bows, frequently inconsistent in the originals, were typeset as they appear in the original. There are numerous possibilities for the interpretation of these articulation markings and players are best served by being given the markings uncorrected.

Allegro espressivo

Measure 35: Cello; Initial eighth rest missing in original (B&H as well as Haslinger). Corrected in typeset to match all other occurrences of this motif.

Andante grazioso

Measure 26: Cello. Legato bow different in the two cello-part originals, the version of Haslinger is more convincing and has been adopted for the typeset (B&H: Legato over the two eighth notes b-d).

Minuetto

In the typeset the parts of the trio appear in the order in which they are intended to be played without resort to “da capo dal segno”. This avoids a tricky multi-page turn backward for the pianist.

Measure 8: Violin part; Original dynamic *p* (both sources); must be *f* to match the piano and cello parts.

Measure 65ff: This short *f* passage is based on just one marking in the violin part of the original. Continuous *p* playing is also an option.

Finale

Measures 53 - 61: The staccato points on the accompanying eighth notes were typeset throughout this and analogous passages, ignoring in this instance the inconsistencies of the original.

Measures 62-63 and 169-170: The forte marking in the piano part is delayed by half a measure in both places (most likely intended by Onslow).

Measure 163: Piano part right hand: Bass clef is missing in original (B&H). Violin: “sul G” ends presumably at measure 170.

Performance time: Allegro espressivo: (M.M. ♩ = 100 [original: 120]), 6 Min.; Andante grazioso: (M.M. ♩ = 116), 5 Min.; Minuetto: (M.M. ♩ = 104), 2 Min.; Finale (M.M. ♩ = 84), 7 Min. for a total performance time of 21 - 22 Min.

Allegro espressivo. M.M. ♩ = 120

This musical score page contains measures 6 through 11 of a piece in 6/8 time, marked 'Allegro espressivo' with a tempo of 120 beats per minute. The score is written for Violin (Violin), Violoncello (Violoncello), and Piano (Piano). The key signature is one sharp (F#).
