thine, be-loved on-ly thine.

Colla voce. *A tempo.*

2.

Or when afflictions heavy wing o'ershades
 The light that dwells within that heart of thine;
 When from the rosy cheek the young light fades,
 I'll own thee still, and whisper, thou art mine.
 Then, when thou wanderest in a far off land,
 Let me but know thy thought doth turn to me;
 That the communings of thy heart will blend,
 At morn, at evening, with my soul's to thee.
