Spero patrocinium robora fida tuũ.
Ille ait: artis iners cur cantica talia ponam,
Et tardis annis cur canere incipiam?

Quum tamen instructore vacem, careamq́ magistro,
Qui artifices doceat texere lege sonos.
Contra ego: quum desit doctor: monimenta virorum
Magnorum leges promere posse mihi.

Auspicor at seris annis mea carmina, quid tum?
Decantat nitidus tempore mortis olor.
