First version, March 2018

PREFACE & CRITICAL REPORT

This edition of the *Messa Concertata* bases upon a copy in the archive of the Dresden Hofkapelle, which has been digitized by the Saxon State Library – State and University Library Dresden (see http://hofmusik.slub-dresden.de). The digital version of the manuscript is available at

http://digital.slub-dresden.de/id426037626 (siglum Mus.2973-D-9).

In general, this edition closely follows the autograph. Any changes that were introduced by the editor are indicated by italic type (dynamics and directions), parentheses (expressive marks) or dashes (slurs and ties). Accidentals are used according to modern conventions. Asterisks denote changes that are clarified in the detailed remarks below.

KYRIE

Bar	*Staff*	*Note*
