2. Deus noster refugium et virtus;
adjutor in tribulationibus quæ invenerunt nos nimis.
3. Propterea non timebimus dum turbabitur terra,
et transferentur montes in cor maris.
4. Sonuerunt, et et turbatæ sunt aquæ eorum;
conturbati sunt montes in fortitudine ejus.

3. Our God is our refuge and strength:
a helper in troubles, which have found us exceedingly.
4. Therefore we will not fear, when the earth shall be troubled;
and the mountains shall be removed into the heart of the sea.
4. Their waters roared and were troubled:
the mountains were troubled with his strength.
