A SUMMER LULLABY

Thomas F. Dunhill, Op. 41. No. 2

Lullaby Love, lullaby Sweet
Rest little hands, rest little feet;
Dreaming the birds warm in the nest
Lullaby Love, close to my breast.

Hush little voice, hush little cries,
Sleep gently, kiss soft pretty eyes;
Sleeping the lamb, sleeping the bee,
Lullaby Love, closer to me.

PUPIL'S LIBRARY

A PROGRESSIVE COLLECTION OF PIANOFORTE PIECES
IN THE EASIER GRADES

THIS Series of Educational Works has been carefully planned; it is in no sense merely the gathering together of odd pieces, but a grouping of merited compositions each one of which serves its specified purpose to the best possible degree. It is a collection to which teacher and student may turn in the assurance that each volume will be found to fulfil its purpose even under the most exacting demands.

This Series will appeal to teachers and students for many reasons:

I. It offers a wide variety of subjects. — II. The contents of the volumes are new and attractive; the long-familiar reprints are not included. — III. The pages are clear and open and the engraving so dispersed as to allow the text to be easily grasped by the eye. — IV. Only the best modern presentation of musical pedagogics from authoritative composers is included.
