ALL JOY BE THINE.

ALL joy be thine this day of heart's delight,
The darken'd hours are past, now breaks the light;
May fairest flowers around you be unfurled,
O love, O best beloved in the world!

All hope be thine this golden wondrous day,
And may no shade of grief fall round your way;
But may you bravely face the journey long
Without a sigh,—upon your lips a song!

All love be thine this day of heart's delight,
And may God guide your wand'ring steps aright,
And keep you safe, your holy guardian be,
And bring you back at eventide to me!
