God send you back to me.

1.

Love, you have left me weary and lonely,
Sailing so far away.
Ah! how I miss you— daily I'm praying—
Safely you'll come home some day.

God send you back to me
Over the mighty sea
Dearest, I want you near.
God dwells above you,
Knows how I love you,
He will bring you back to me!

2.

Though we are parted— love lives for ever,
When hearts are fond and true.
So, till our meeting— let us remember
Ever I pray for you.

God send you back to me
Over the mighty sea
Dearest, I want you near.
God dwells above you,
Knows how I love you,
He will bring you back to me!
