ARCIVESCOVO DI PALERMO,

PRESIDENTE, E CAPITAN GENERALE  
nel Regno di Sicilia.

OLAcosì glorioso sù l'Ala della Fama il nome di V. E. che non vi è parte, tutto che remota dal Mondo, oue di lei con stupore nõ si essaltino le lodi, ò con applauso non si celebri il merito. Testimonio più che veridico di quãto io dico (oltre à tãte altre sue heroiche attioni) sarà quella sola, cõ la quale V. E. ultimamẽte nelle riuolutioni di Napoli, autenticò in se stessa lo splendore del suo generosissimo cuore, & la grandezza, e intrepidezza del suo valore, imitando in questo quello del suo Padre Santo Agostino; poiche essendo la Città di Puzzuolo l'antemuro di Napoli, e perciò assaltata diuerse volte dalle seditiosi con gran numero di gẽte guidate dal Duca di Ghisa, fu sèpre ributtata dal valore di tutti suoi Cittadini, e nobiltà, che fino alle Donne pigliarono l'armi per mostrarsi constantissimi al suo Rè, e natural Signore, guidati da vn tanto valoroso Capitan Generale come V. E. mostrando sempre nelle cose più pericolose il suo valore, non inferiore alla prudenza, come s'hauesse militato per tutto il corso della sua vita, nell'eserciti di Fiandra, ò Lombardia; esponẽdo egualmente à seruigio del Rè N. Sig. non men la Vita, che tutto il suo hauere, seguendolo tutta quella Città, come generosi Leoni, essendo l'Ancora, e la Colona, che mantene tutto il Regno per lo che meritò esser chiamata da l'Altezza Sereniss. del Sig. D. Gio. d' Austria, Corona della fedeltà, essercitando V. E. il titolo di suo Vicar. Gen. cosi dell'Armi di terra come delle maritime. La onde quei Popoli auuezzì per tãto spatio di tẽpo sotto la soauità del suo gouerno, affin di perpetuare la rimembranza di cossi segnalati beneficij l'inalzaro nella publica Piazza vn viuo, e superbo simulacro di marmo, per non perdersi col corso delli anni la memoria d'vn cossi gran Pastore è si come adesso ne deplorano la perdita, cossi per sempre ne sospireranno la presenza. Taccio anche per non offender la sua Modestia le virtù più singolari, che fregiandole l'Animo, la rēdono impareggiabile, non che superiore à tutti gli altri Prelati; come sono la Bonrà, la Religione, la Pietà, la Prudenza, la Liberalità, la cura dell'Anime, lo zelo del Culto Diuino, l'assidua amministrazione de' Sacramenti, e la frequenza de' Sacri Tempij. Essẽpi sono questi, che non solo hã fuscittato nel petto d'ogn'vno la merauiglia, ma di più han somministrato à me motino bastane à farmi

mi esercitar l'ingegno, con la carica, che tengo di Maestro di Cappella in questa sua Ca-  
tedrale nella compositione de' presenti Mottetti, e di publicarli anche sotto la protettio-  
ne del suo chiarissimo Nome, confidato in ciò da quella benignità, con cui ordinariamē-  
te si è degnata porger cortese orecchio alle mie fatiche Musicali. Le quali ancorche per se-  
stesse si conoscano priue delle vaghezze dell'arte, e scarse delle bellezze del sapere: tutta-  
volta arricchite col valore del suo Patrocinio, e patrocinate cō l'auttorità del suo valore cō-  
fidano di cōparire più che gloriose nel Teatro del Mōdo. Gradisca dunq; V.E. il dono nō  
come degno di lei, ma come venuto da vn'animo grato, e tutto caldo di seruirla. E qui di  
tutta humiltà riuerēdola, me l'inchino baciādoli le sacrate vesti. Pal.li 30. Agosto. 1651.
