Allegretto

p

It is not dawn till you a - wake and shew your ra - diant eyes:

5

It is not day, though day may break, Till sun - like you a -

dusk while yet_ you keep those eye- lids_ op - en wide: It

31

is not night till you're a - sleep, Then sleeps all else be- side.---

35

Save one dim dis- tant

40

un - loved star that sighs the night - long through, - There

cresc.

44

is no light where you are far, There is no love but you!
