BALLET RUSSE

A. Luigini, Op. 23

The melodious, catchy character of this music has given it very unusual popularity. While it was originally written for a theatrical ballet-production it is so thoroughly individual and artistic throughout as to make it equally fit and desirable for concert performance. It may creditably be placed side by side with the best ballet music written by Delibes, Gounod and Saint-Saens.

CAUCASIAN SKETCHES

M. Ippolitow-Iwanow, Op. 10

This suite is one of the very best works of this modern Russian composer. It combines the most attractive traits of his special style of writing, is essentially lyric, thoroughly interesting and highly melodious.

SCENES NAPOLITAINES

J. Massenet

"Scenes Napolitaines" constitute the fifth of Massenet's orchestral suites and their brilliancy and effectiveness entitle them to rank among the foremost orchestral works of modern times. Two numbers have been included in the present special arrangement: La Danse, a rapid Tarantella-like movement and La Fête, a vivid picture of a Neapolitan public festival.
