This edition is basically *Urtext*. Apart from transposing and transcribing it for 5 cellos I haven't changed much. Occasionally I added indications like [tutti] and [solo], in square brackets. I omitted the optional figured bass in the fifth part. The slurring is from the original, which may or may not be suitable for string instruments all the time. Feel free to adjust bowings to taste.

Typeset using Dorico Pro 3.5.
