ALL'ILLVSTRISS. SIGNOR

IL SIG. GIACOMO FVCCARI. SENIORI.
BARON DE CHIRCHBERG, ET VVEISSENHORN, &c.

Mio Signore, & Padrone Colendissimo.

E Messer Andrea Gabrieli (felice memoria) non fosse stato mio Zio, andrei di dire (senza timore d'esserne biasimato) che, si come pochi Illustri Pittori, & Scultori insieme sono stati al modo, così pochi sono fossero stati gli eccellenti Compositori, & Organisti, com'egli fu. Ma perche di confanquità le sono poco meno che figliuolo, non mi si contiene dir di lui liberamente quello, che l'affettione dettata dal vero mi ministrarrebbe (perche, chi può negare, che non sia stato mirabile, & quasi Diuino in tutti i gene-

ri Armonici? potrei lodarlo nell'arte, nelle rare inuentioni, nelle maniere nuove, nel diletteuole stile, non solamente perche sia stato graue, & dotto nelle sue compositioni, ma per esser insieme comparso tanto vago, & leggiadro, che chi ha gustato il suono de' suoi concerti, & l'Armonia de' suoi contrapunti, (e vaglia dir il vero) può dire d'hauer prouato, che cosa siano i veri monumenti d'affetti: & che cosa sia goder della Musica, vera, & insatiable dolcezza. Potrei dire, che da suoi componimenti si vede apertamente quanto egli sia stato singulare nell'imitatione in ritonar suoni elprimenti l'Energia delle parole, & de' concetti. Ma per non parer trabocchenole nel colmo dell'affettione, e volongli lo Nipote, lasciarò il farne giudit' a gli intendenti, che l'hanno conosciuto fin nell'interno ricetto de' suoi pensieri. Fracque al sommo voler di Dio l'anno passato di trasferirto di terra in Paradiso, et a matura età, & assai colma d'anni, ma in tempo, che piu, che mai i spiriti erano nella Musica vivaci, & pieni di leggiadrissime inuentioni. Hauera esso ridotto a còpita perfectione vari bellissimi Concerti, Dialoghi, & altre Musiche proportionate a voci, & Stromenti, come hoggi di s'usa nelle principal Chiese de' Principi, & nelle Accademie illustri, de quali egli (bona memoria) hauea deliberato farne dono a V. S. Illustri. per scoprirle va viuio segno dell'offerta, & deuotione che le portaua. Ma chiamato a miglior vita, il desiderio non hebbe il suo fine: ma si come lascio me herede de' suoi beni eterni, così de' beni terreni (oltre gli amatelementi della Musica) mi lascio quella particolar affettuosità deuotione che esso portaua a V. S. Illustri. Oude viueno io con l'istesso desiderio, col quale egli visse, & morì, per effiquir il suo volere, & per dar compita satisfattione a me medesimo, confarco a V. S. Illustri. i fructi delle sue virtù, intitolati: i Concerti, con l'aggiunta d'alcune mie fatiche, come virgulti germoglianti dell'istesso tronco. A lei li espongo come a viuificante sole, da i cui raggi prendendo vigore di pergo, & di valore, non è dubbio, che dal mondo faranno bramati, & tenuti cari. Piacca à quella generosità d'animo Heroico di humanamente gradirli, che assicurato io di quello, mi terrò auenturoso, hauendo fatto vn sì ricco acquisto, d'hauermi reso grato vn tal Signore, la fama splendentissima del quale, con supremi honori, & con alti d'immortalità volando, traforre fin alle finitime parti della terra. Con questo fine con ogni rinrenza, humilmente bacio le mi a V. S. Illustri. pregandole da N. S. felice vita, & succidio de' suoi alti, & generosi pensieri.

Di V. S. Illustri.

Humiliss. Seruitore

Gioanni Gabrieli.
